Santos Bed

SKU: ENV-BD046-01

A revelatory spin on the classic platform bed, the Santos was designed to feel light and airy like a magic carpet. An extra wide plane of reclaimed Brazilian Peroba wood perches atop a recessed base of radiata to create the “floating” effect. An extra wide ledge, surround your mattress with just the right amount of space to put a bedside lamp and your favorite bedtime reading. A pair of angled headboards crafted from ebony stained radiata give the Santos a sleek, clean-lined look. Named after a port city in Brazil, let the Santos whisk you off into sweet dreams of a tropical, seaside retreat — far, far, away. Come, let’s fly away.

Characteristics

Peroba wood has a rugged, untamed beauty; because the pieces we recover exhibit a distressed and weathered quality, natural variations in color, and texture will be inherent in each piece.

Materials

Reclaimed Brazilian Peroba Rosa
